

Duck Hollow Discovery Learning Center February 2010 Newsletter

Much of February looked like a "Winter Wonderland" with all of the snow that had fallen, but that did not stop us from having fun!

Joss' Mom was kind enough to stop in to talk to everyone about Dental Hygiene this month and how to take care of our teeth! Thank you Amy for visiting! Everyone enjoyed the Valentine's Day activities and parties. We also read Tomie DePaola's, The Art Lesson and created pieces of art that were auctioned off during our annual Art Show! This year the money we raised went to the Haiti Earthquake Relief Fund. A special Thank You for all of your help in contributing to the Art Show and making it such a huge success!

Reminders for March:

Dr. Seuss will be our author during the month of March so we are sure the entire month will be filled with fun and laughter as we read stories such as Green Eggs and Ham, Horton Hatches the Egg as well as many great others! Please remember to sign up to read to your child's class during the month of March for Read Across America!

Thank you for sharing your children with us!
